EDUCATION

Raj Computers Academy, Maharashtra — *Photoshop*

January 2015 - May 2015

Here I learn computer basics, photoshop, and CorelDRAW.

Walther Degree college, Uttar-Pradesh — *BA*

July 2011 - June 2014

I have successfully completed a bachelor's degree in Art.

PROJECTS

HTML — *Detail*

To learn HTML, I have created a sample page of

Login, Registration, and Periodic Table.

Login

https://swikritimishra.github.io/workshop/html/login.html

Registration

https://swikritimishra.github.io/workshop/html/register.html

Periodic Table

https://swikritimishra.github.io/workshop/html/table.html

CSS — *Detail*

To learn CSS, I have created a hover on a button, to look very nice.

Workshop.

https://swikritimishra.github.io/workshop/css/index.html

SKILLS

HTML

CSS

Bootstrap

Photoshop

JavaScript (Learning)

LANGUAGES

Hindi (Native)

English (Elementary)

CERTIFICATE

HTML

CSS

Bootstrap — Workshop

To learn Bootstrap, I have created a responsive website with shake animation.

https://swikritimishra.github.io/workshop/bootstrap/index.html

Snapsound — *Project*

I have created a snapsound project which will provide digital studio services.

https://swikritimishra.github.io/workshop/snapsound/home.html
